- Work Done on Premises

Comet Cleaners services include dry-cleaning, laundry, professional stain removal (pre-spotting), alterations, and expert pressing of each garment.

Dry-cleaning and Pressing

Our trained professionals inspect each area that require pre-spotting, repair or additional attention. A gentle cleaning process is performed and all garments are pressed and hand finished.

Press Only

We are able to accommodate special items that require "press only / steam only".

Household

Our trained professionals gently remove stubborn dirt from your draperies, bedspreads, tablecloths and other fine household fabrics.

Laundry

We are committed to providing the best looking laundered garments by paying special attention to each item. Buttons are tightened or replaced free of charge. Shirts and pants are starched to your preference and pressed to perfection. Shirts can be folded or placed on hangers for your convenience.

Alterations

Experts professionally each garment from the smallest repair to major adjustments. Our services include replacing zippers and buttons; size adjustments; cuffing, shortening and lengthening hems; and much more.

Happy Bags

You can take advantage of Our Express Happy Bag program which allows you do drop-off garments in a convenient Happy bag without waiting in line for service. Garments are professionally counted, inspected for spots, tears, or other problem areas requiring additional attention, sorted and dry-cleaned or laundry.
